MARANATHA CAMP

LADIES RETREAT 2010
APRIL 30 - MAY 2

Dear Women's Ministry Leader,

Are you looking for a way to energize the women in your church for a more effective walk with Christ? Would you like to find a way for them to build stronger relationships with each other and with God? Do you need a break from routine that can jump start your efforts as a leader of women in your church?

We have the perfect answer. Get away from it all at Maranatha Camp's Ladies Retreat. Maranatha, a non-denominational Christian Camp located just 15 miles east of North Platte, Nebraska, is dedicated to giving people a chance to get away from their daily routines to quiet down, hear God speak and make life-changing decisions. At Ladies Retreat, women take a break from their hectic lives to reconnect with other women and with God. This year's Retreat offers many exciting benefits:

- "The Road to Destiny" is our theme. The focus is not on the speaker, but instead is designed to allow time for you to process information and hear from God about how to apply the ideas to your life. The process is fun and interactive while also allowing quiet moments to connect with the Lord. You will also receive a "tool kit" of practical strategies to continue to grow when you return home.
- Choose the format that works best for you and your friends. Attend the full day session on Saturday which explores the heart of our path to discovering our destiny, or stay for the entire weekend (Friday night through Sunday noon) and enjoy additional times of interaction, reflection, worship, friendship and fun.
- Reach out to women who have never had a chance to experience the joy of deepening relationships in the context of a retreat. We have special discounts for those who are attending Maranatha's Ladies retreat for the first time and for groups of four who want to share the weekend together and "Fill A Room" in the dorms.
- The camp is very affordable – session materials, welcome bags, lodging, meals and snacks are all included in the registration fee. Scholarships are also available. Check with the camp for more information.

Use this weekend to build your women's ministry program. It could be a ministry outreach to others in your community, a time to bring together new believers, or a way to forge new bonds between women who have been walking together with Christ for many years. We'll do all the work -- you just need to encourage the women to come!
