The TNT program is back

We want campers to have an opportunity to serve at camp, learn life skills, and save some money on their registration in the process. We have created the TNT program to do just that!

The TNT program is a great place to get a taste for what it is like to serve and work at camp. Participants join with staff members in recreational activities, staff chapel times, and work, learning practical skills and spiritual truth.

Program Features:

- Earn 30% off of your registration fees for each week you work
- 3 weeks of work = 100% off!
- Meals and housing are provided
- Primary work places include the dish room and conference center
- Participants will join summer staff in planned recreational activities and chapel times

Campers from 14 to 19 years of age welcome to apply.
Positions available every week from June 5th through August 13th.
