

MARANATHA

CAMP & RETREAT CENTER

Dear Team Captain and Shooters,

Thank you for helping Powder Creek Sports raise donations for the Maranatha camper scholarship fund which assists those who could not otherwise afford to come to camp.

Date: Saturday Aug 12, 2017

Event: Camper Scholarship Fund - Team Shoot

Venue: 100 Round Shoot (sporting clays, five-stand, skeet, trap)

Saturday Aug 12th Schedule:

12:00 PM - Grill and food line open for staff and early birds

1:00 PM - Fundraiser shoot begins - teams start on assigned stations

5:30 PM - Fundraiser Dinner and Awards presentation

For this fundraiser shoot Team Captains should recruit three other shooters (teams of four shooters are ideal). We may also have some individuals request to participate as a result of our PCS email invitation.

The goal is that **each shooter raises and/or donates a minimum of \$500** which would mean each team of four raises at least \$2,000. All shooter fees on Saturday, including the cost of shells and prizes, will be absorbed by the fundraiser Shooting Station Sponsors at \$100 each, with remaining proceeds going toward the camper scholarship fund.

Team captains need to strongly encourage team members to stay for the post-shoot fundraiser dinner and awards program in the camp dining hall. We will share camper stories that tell their spiritual journey as it relates to their time at Maranatha Bible Camp.

Prizes will be given to the top 5 individual fundraisers during the meal and we will celebrate the total amount of funds raised. And of course top shooters will be recognized with prizes as well.

SPECIAL STAY OVER OPTION: (Reserve a room by calling one of the people below).

Saturday Night – Complimentary Housing and Sunday Breakfast at Maranatha Camp

Sunday Aug 13th Regular Shoot Schedule:

9:00am-3:00pm Powder Creek Sports seven station creek shoot (regular fees apply)

50 round tournament available plus non-tourney fun shooting available as usual

We are looking forward to working with you for our third annual PCS Scholarship event.
