ENGAGE ~ Empowering Church Leadership
February 7-9, 2019 ~ Maranatha Camp

Worship Your Way Through Change!

For pastors, worship team leaders/members,
and church leaders (and spouses).

Change is inevitable! At **ENGAGE 2019** we hope to encourage and equip leaders to *worship their way through change* as one team! Because the pastor and worship team connection is so vital, we are once again joining with Continuous Worship Conference to provide **ENGAGE!**

- **ENGAGE** will help pastors and worship team members realize the importance of worship and unity as they experience change.
- **ENGAGE** will provide creative examples of various forms of worship elements that can be incorporated into the worship gathering.
- **ENGAGE** will provide outstanding workshops covering various topics as: Singleness, Pastoring in Rural Communities, Pastoral Time Management, Leading Through Pastoral Transitions, First Impressions, Planning Center, The Joy of Slightly Irregular People, Women's Role in the Church, and Recruiting and Training Volunteers.
