

MARANATHA
CAMP & RETREAT CENTER

Dear Friend of Maranatha,

November 3rd, 2021

I think you would **agree the most used ministry building at Maranatha Bible Camp is the Olsen Memorial Dining Hall and Chapel.** Before COVID, we began an ambitious plan of renovation and completed a complete makeover of the dining hall. People who have been here before having stepped in and wondered if they are in the same place!

Now the time has come to give the Olsen Chapel a complete remodel. We often need the use of two quality meeting rooms since our housing facilities allow us to host two large and separate ministry groups at the same time. Inevitably one group feels like they have the 'old chapel' (sound system/ AV/ lighting/ worn carpet) while someone else got the 'new chapel'. We can change those rooms to be described as '**Large and Small**' - but equally desirable!

\$25,000 is the remaining need to complete this project. We have been blessed to pay as we go and would like to buy the rest of materials/ equipment before year end to avoid cost increases. Should more than enough come in, we will apply the funds to the new office.

We are writing to **friends like yourself who knew and appreciated the ministry of Pastor Ivan and Alice Olsen.** We are pleased to remember them as we make these improvements for new generations of campers.

Yours for Christian Camping,
