Dear George,

The 2022 Maranatha Golf Classic for Scholarship Fund is almost here. Registration starts at 7:30 a.m. MST Monday, September 12th at **Bayside Golf Course 865 Lakeview West Road, Brule, Nebraska** with awards banquet to follow. Short Program begins at 8:30 am in the clubhouse followed by 9am shotgun start.

We had another great camping season. We actually had more kids and families need scholarships than ever before! Your participation in this event allows so many lives to be impacted through attending one of the many Maranatha sponsored summer camps. The golf event provides the majority of money for our scholarship fund.

Enclosed are the golf brochures, response forms and pledge tracking forms for you to use. Also you can collect the checks or cash, and bring them to the event. The business office of Maranatha will send a letter to your donors and follow up. Each golfer will receive a report after the event showing the total amount they raised and the status of the pledges. We will follow up with you in sixty days so you know what hasn't come in yet and help us collect these vital funds. If you can't attend, please send a check or go online and make a donation now as part of the "can't come but want to participate team."

It is important to remember the funds raised for this event go toward impacting lives through allowing kids and families a Christian camping experience at Maranatha. Let's set a record for the most funds pledged and successfully collected!

If you have questions or need additional golfers-fundraisers to round out a team please let us know. We can be reached as listed below at any time.
